STREETS TO BE PAVED

Board of Public Works At Key West Announces Plan For $100,000 Program.

[HERALD SERVICE.]

KEY WEST, Fla., June 17. — Among the first brick streets the board of public works has decided to repave out of the $100,000, which will soon be available for road improvement, will be one block on Grinnel street, from Eaton to the entrance to the station grounds, and two blocks on Caroline, from Elizabeth to the station entrance.

The reason for taking that action is because of the great importance of those roadways in handling traffic to and from the trains and steamships. Besides, the condition of those sections of the two streets is probably the worst of the brick paved streets in this city.

With the repairing of the block on Grinnel, an excellent system of roads will be provided from the station grounds, because the remainder of Grinnel street, is already paved with asphalt, and road oil and also connects with Southard and Eaton streets, which are in excellent condition.

Later on the remainder of Caroline street, as well as other brick-surfaced roads in the city, will be treated with asphalt cement and road oil and sand, for the board and the city engineer have decided to use the brick streets as a base for the pavement, instead of tearing them up and using a bed of marl.

POLICE SEIZE WHISKY

Two Men Face Charges as Result of Hotel Raid.

More than 200 quarts and pints of liquor alleged to have been smuggled in from Cuba were seized and two men taken in custody on liquor violation charges as the result of a police raid on a small hotel in Northeast Second avenue yesterday afternoon.

The men arrested were Samuel Wallace and R. L. Jenkins, both of whom gave bonds of $200 and $400 respectively. Charges placed against Jenkins were unlawful possession of liquor and sale of liquor, while Wallace was charged only with possession.

The liquor, which, according to police, was high grade whisky, was locked up, at the police station. Officers Rogers, Courtney and Jarden were on the raid, finding the liquor in Jenkins' room in the hotel.

Police say Jenkins has been arrested on similar charges within the last few days.

A special train will be taken from that city to Cleveland, Ohio, and the trip will be finished by boat.

Then there were seven delegates from Miami and 70 from Florida; this year there will be 125 from Miami alone.

Mr. Bigelow gave his five minute talk on "My Home Town" which he will deliver before the convention, and was warmly applauded.
