

Artist's sketch of hotel to be built at once at Okeechobee Shores. This hotel will cost upward of two hundred and fifty thousand dollars and will have 300 rooms. The architecture will be English Colonial in keeping with the general plans for this new city. It will be situated on the Conners Highway facing the Lake and Heckscher Park.

Men Who Mean Business

ARE BUILDING

OKEECHOBEE SHORES

The first essential of a development is substantial backing. In its personnel of officials Okeechobee Shores has men of means and character who are determined to bring to a satisfactory conclusion their every undertaking.

The Manchester Realty Corporation has for its president Harold B. Long; vice president, Frank L. Finch; P. N. Hiatt, secretary-treasurer, and G. Maurice Heckscher, chairman of the board and half owner of Okeechobee Shores—all men who have had years of experience in development work and well able to create a new and magnificent city such as Okeechobee Shores is destined to be.
