

# The Wonder Trip of Florida And You Are Invited to Go

*Come to the Barbecue at Sunset Park, Today*

Every morning at 9 o'clock we will start our handsome free white bus for Sunset Park, the finest residential development in Okeechobee City. The trip to Okeechobee is one of the most picturesque rides in America, carrying you through the wonderland of tropical South Florida. You will never regret taking this trip, but you will be sorry if you don't.

Today is an especially desirable day to visit this interesting country, as we are offering a barbecue this afternoon for our guests and the public. If you are unable to take the bus you will enjoy making the trip in your own car. A splendid drive over the Cross-State highway. Sunset Park is less than a mile from the heart of Okeechobee's main business section, on the main highway.

Besides the barbecue there will be music and speeches by prominent speakers. Entertainment that will please you. But don't lose sight of the fact: The main purpose of your trip is to see the beauties, the natural advantages, the remarkable development and the picturesque appearance of this remarkable region around Lake Okeechobee. You will be under no obligation.

Then you will understand why Okeechobee City today offers the best investment in Florida. All the evidence points to extensive development of this region. You will see this for yourself. And think of it: We are offering lots in Sunset Park at from \$450 to \$1,200. Ideal lots for a home. Wonderful for an investment.

Rain or shine, the barbecue will be held today. And don't forget that our bus leaves for Sunset Park daily at 9 A. M.

In addition to those going to the barbecue by bus and in their own cars, many plan to make the trip by rail. A train leaves for Okeechobee City over the Seaboard Air Line Railway at 8:30 A. M.
