ORLANDO, Fla., Jan. 24.—Strong opposition has developed here to the opening of theaters on Sunday for picture shows, proposed in specially printed ballots handed out last Saturday night to those in attendance for the purpose of obtaining a vote on the question. Ballots from that source are said to have been almost sunanimously in favor of Sunday opening. Clubs, Sunday school classes, churches and other organizations, on the other hand, are uniting in a movement to oppose the proposition.
