THREE DAYS

only, now, to get **YOUR** rich 5-acre Truck Farm for \$900—payable \$195 cash

THIS SHOWS WHAT THE ALLENTOWN AREA WILL LOOK LIKE ON COMPLETE DEVELOPMENT

AT 10 O'CLOCK p. m. next Thursday ALLENTOWN five-acre farms go to \$1,000 each. Until then you have the opportunity of a lifetime to purchase your farm at \$900, payable \$195 cash and balance at \$23.50 per month with title abstracts free. You can make \$100 profit next Thursday night if you buy NOW. DON'T DELAY. There are a comparatively few left and we expect a rush of applications during the next 72 hours. At \$1,000 each these farms will still be low. Experts have valued this acreage at over \$1,000 per acre on the basis of fertility alone. BE IN TIME! Okeechobee land is rising in value daily. Soon you will be unable to buy land in this region at anywhere near the price we are offering it in ALLENTOWN.
