

# OKEECHOBEE

*This is a plat of the new City of ALLENTOWN, prepared under direction of Dan'l E. Clune chief engineer of the Curtiss-Bright properties. It is one of the most successful plans ever laid out by this eminent engineer. ALLENTOWN is the agricultural center of the rich Lake Okeechobee region. The city itself will be the "Queen of the lake region."*

## ALLENTOWN

*"The City of Contentment"*

THE LOTS in this beautiful new city of ALLENTOWN are not for sale. They can only be obtained by purchasers of ALLENTOWN five-acre Truck Farms. Those who have already bought a Truck Farm, or those who purchase a Farm after this date, will have first choice (in priority of their purchase of a Farm) of lots in the city of ALLENTOWN. Study

this plat well. Note the institutions, the beautifully laid out streets, boulevards and breathing spaces. Could city be better planned for your convenience? Could more attention be paid to your well-being as a resident? ALLENTOWN is now and always will be a model for all modern Florida farming community cities. WATCH IT GROW!

ALLENTOWN rich 5-Acre Truck Farms only \$700 each, payable \$175 cash, and balance \$17.50 a month with 6% interest. Title Abstracts free.
