

Okeechobee Terrace

Located on State Road 8, the only coast-to-coast paved road.

Reached by the Conners' Highway, the route from Miami to Tampa, via Palm Beach.

Seaboard Air Line Through Property bringing thousands of tourists and convenient for shippers.

Priced so low everyone can buy now and take the big, quick, first profits on resales.

50-Foot Residence Lots

\$125

Business Lots \$650 Up

Acreage prices are sky rocketing in the Okeechobee District because the climate, location and productivity of the soil will make this section the home-land of Florida and the bread-basket of the world.

The Conners' Highway was built by Mr. W. J. Conners at a cost of millions to open up this fertile country and Mr. Conners owns thousands of Okeechobee acreage—buy now—profits this winter will establish new standards.
