

# A Most Sensational Announcement!

We have for Immediate Delivery 36  
Sections of 640 Acres Each

—IN—

# OKEECHOBEE

COUNTY

Priced **\$55** Per Acre

FACTS

The sections offered are centrally located in the richest section of the famously fertile Okeechobee County; "rivaling the Delta." It is just 12 miles north of Okeechobee, a center of great activity, and 6 miles from the F. E. C. Railway.

\$75 per acre is the lowest price quoted elsewhere for Okeechobee acreage, making this the most attractive buy either for investment or for trucking.

FIGURES

Terms—One-third cash, balance 1-2-3 years at 8%. 5% binder with 30 days to close. Let's figure:—

640 acres at \$55 per acre amounts to only \$35,200. Five per cent binder equals \$1,760.

One-third cash, less 5% in 30 days, equals \$9,973 first payment, balance in equal annual installments in 1, 2 and 3 years.
