THAT

OKEECHOBEE MANORS

Will Not Be Long on the Market

When this superbly located property was placed on the market a little more than a week ago, we predicted that there would be a ready demand for it among those who are familiar with the prosperous Okeechobee Country and the thriving, bustling City of Okeechobee.

Sales to date have exceeded all expectations—investors have responded enthusiastically to the singular appeal of Okeechobee Manors, embodying a combination of advantages in its proximity to the rapidly expanding city, and the exceptional productivity of its soil.
