THIS IS YOUR INVESTMENT OPPORTUNITY TODAY

Those who profit most and quickest are those who grasp the opportunity while it is at its best. And this is the very reason that you should investigate the remarkable opportunity that is presented to you now in Okeechobee Shores—a magnificent new city development, complete in every particular, located in the choicest region of all Florida. It is true that as development and improvement work progresses in this splendid project, prices and values will naturally increase and opportunity will be great, but the time to realize the most is when you have the chance to get in on the initial offering and take advantage of the increase in values from the start. **THAT TIME IS RIGHT NOW—TODAY.** It is very doubtful if you can duplicate an offering such as this in any part of the state. Investors are selecting their lots daily, for they know the genuine worth of Okeechobee Shores and the wonderful possibilities for profit.

OKEECHOBEE SHORES

Is beautifully planned city, owned and developed by men who have the means, ability and integrity to build one of the finest and most complete cities in Florida, and this they have determined to do. Thousands of dollars are NOW being spent for improvements, the work is under way, and as time passes this program will be increased and in a short time you will see a beautiful city of homes and industries lying on the shores of Chauncey Bay, that attractive harbor indentation of Lake Okeechobee.

Located on Conners' Cross-State Highway, the Seaboard Air Line Railway and the Florida East Coast Railway, it lends itself delightfully to the ambition of its builders. Replete with wide avenues and boulevards, sidewalks, curbs, lights, water, parks, golf course, hunting lodge, country club, yacht basin, its own railway stations, and numerous other features, all combine to make Okeechobee Shores the preeminent investment opportunity today. A visit to our office for any information will reveal to you the exceptional opportunity you have in Okeechobee Shores, the city that is destined to become the "master city" of Florida's inland empire.
