

People are just becoming awakened

To the ultimate possibilities of development in Florida's famed Everglades district. They are beginning to realize that, in the region around Lake Okeechobee, one may find a land of agricultural wonder—dotted here and there with producing communities of a modern aspect. Railroads and highways are existing to connect West Florida with the East. Other projects and facilities are being installed so that this country may be enhanced as far as development is concerned, and that it may become one of the greatest sections of our continent.
